Brief about lighthouse :

There are three main cities in Goa- the ancient Hindu city; the second-the old Goa built by Mohammedans in 1479 under Adilshahi rulers. Goa was conquered and occupied by Portuguese in 1510 and was made the capital of all the Portuguese occupied territories in East. The third city Panaji was built in 1840 by Portuguese on the Southern banks of Mandovi River. They shifted the administration to the new city and formally declared it to

be the capital of Portuguese rule in Asia in 1843 and remained as such up till the liberation of Goa on 19th December 1961.
